Mukunda Kharal

Front-End Developer

I am a dedicated and results-driven Front-End Developer with a strong foundation in web development technologies. I am passionate about creating visually appealing and user-friendly websites. My commitment to staying updated with industry trends and my ability to collaborate effectively make me a valuable asset to any development team.

ACHIEVEMENTS

Bachelor's Degree in BSc.IT

TRAINING/CERTIFICATIONS

Front-End Development with React Js

Vrit Technologies / 2023

I have completed intensive Front-End Development with React Js training at Vrit Technologies, covering architecture, state management, styling, and advanced concepts. Hands-on projects and career development elements were included, resulting in the successful attainment of a React Js certification.

PROJECTS

Portfolio Website using Next Js and Typescript

Created a personal portfolio website to showcase my web development skills and projects.

<https://www.mukundakharal.com.np/>

BestFood website

I built a stylish BestFood website using React.js, Vite, TypeScript, and Tailwind CSS. My BestFood website not only delivers great content but also showcases my personalized coding approach.
